“The public involvement team went out of their way to respond to my request for urgent public involvement input into a COVID-19 grant application. Within three days they had produced and posted an advert and had responses from eight interested members of the public. They sorted out all the paper work and payments. The input I received from the public representatives was invaluable and helped to shape the application. Much appreciated.”

O fewn tridiau, roedden nhw wedi cynhyrchu a phostio hysbyseb ac wedi cael ymatebion oddi wrth wyth o aelodau'r cyhoedd a oedd â diddordeb. Gwnaethon nhw drefnu'r holl waith papur a thaliadau.
