- Focus Area 2: Ensuring public involvement is promoted and supported at senior levels across Health and Care Research Wales.
- Review public involvement package of support
- Focus Area 6: Provide effective training, resources and support to researchers, research managers & administrators to enable them to do public involvement well.

- Prioritisation results helps us establish the next pieces of work we want to tackle
- Results from survey are really well matched to discussions in January event and also reflective of some of the conversations that we've been having as part of engagement strategy group and other discussions with leads across Wales
- Clear messaging around Focus area 2. We will now work on pulling together relevant actions and working parties as needed for these priorities
