

Public Involvement Training and Guidance – What's out there?

Rebecca Burns

Public involvement manager

November 2021

Discover Your Role in Health and Social Care Research: Agreed Focus Areas

- ⌘ **Focus Area 1:** Create a more coherent network for public involvement discussions, peer support and sharing good practice

- ⌘ **Focus Area 2:** Ensuring public involvement is promoted and supported at senior levels across Health and Care Research Wales

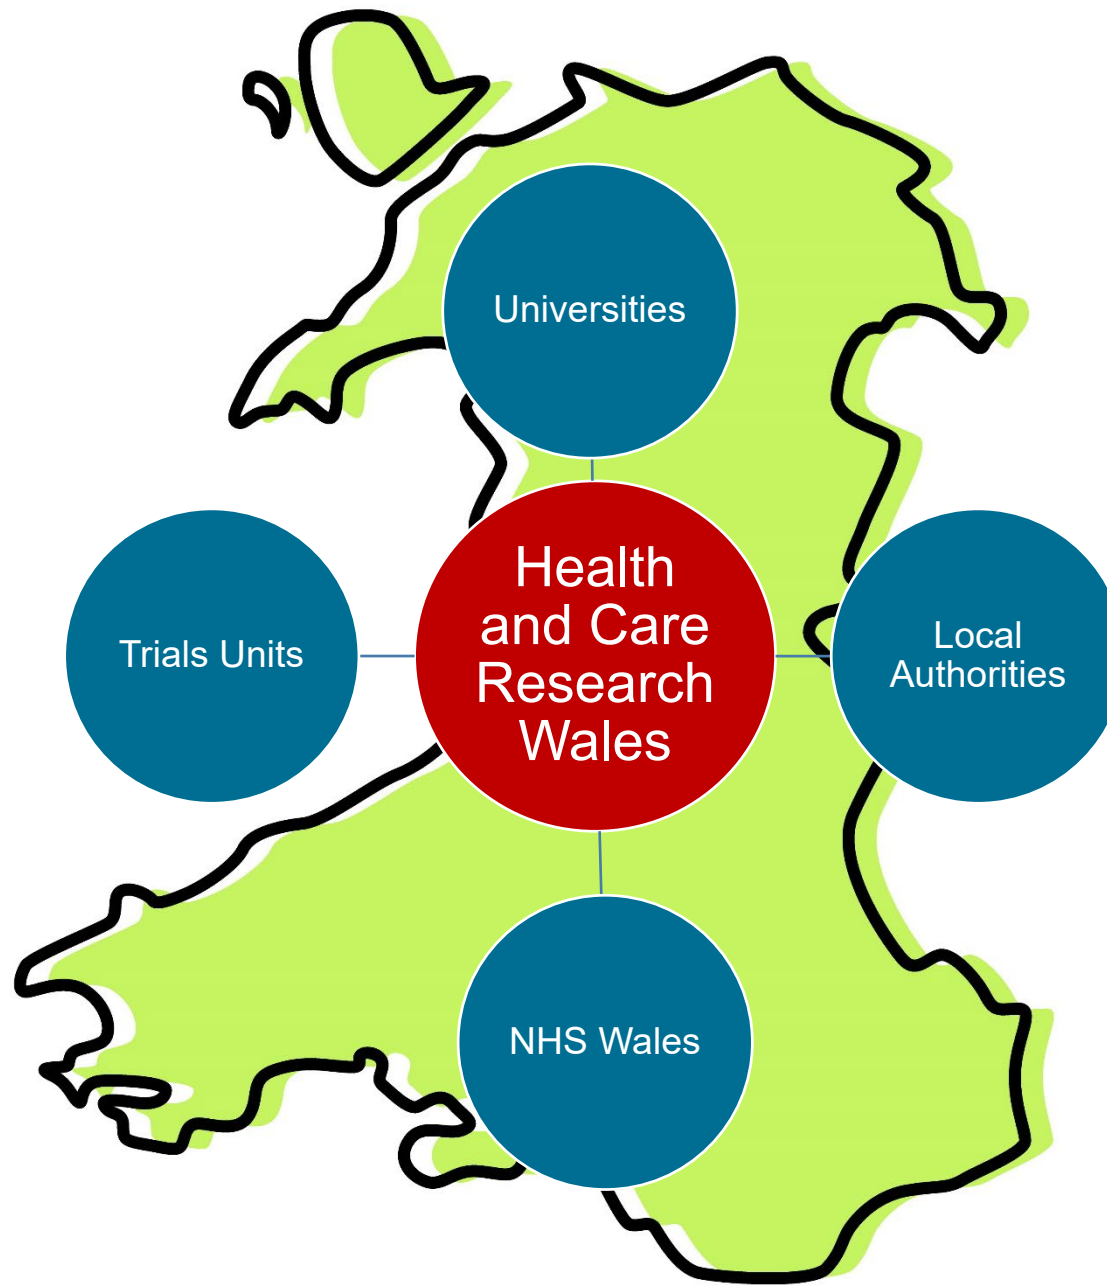

- ⌘ **Focus Area 3:** Develop a purposeful public engagement strategy for Health and Care Research Wales

- ⌘ **Focus Area 4:** Be transparent about how public involvement is reflected in Health and Care Research Wales own processes

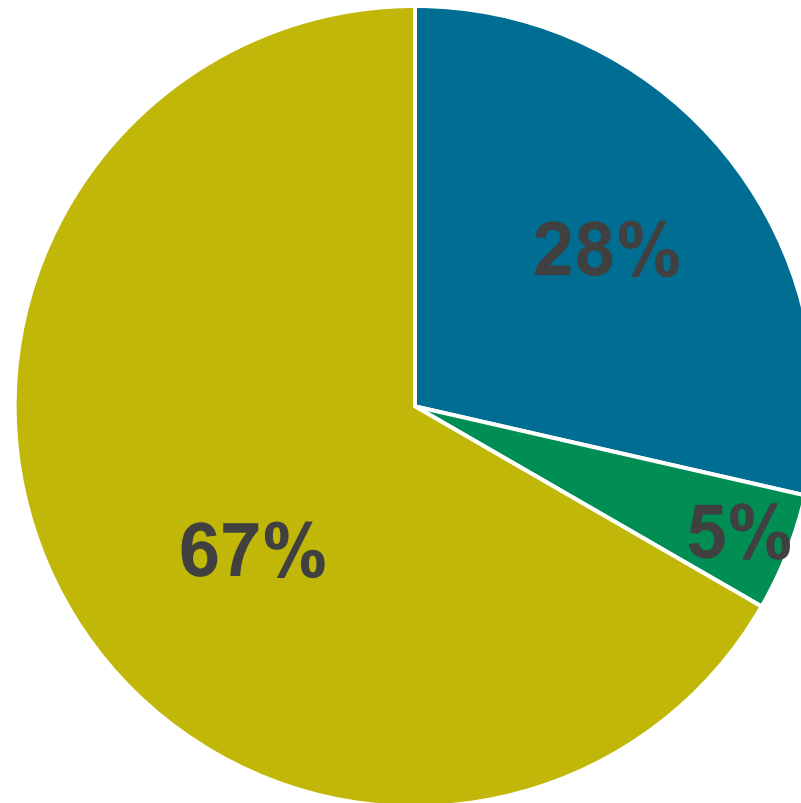

- ⌘ **Focus Area 5:** Tackle administrative barriers to effective public involvement

- ⌘ **Focus Area 6:** Provide effective training, resources and support to researchers, research managers & administrators to enable them to do public involvement well

- ⌘ **Focus Area 7:** Collect useful information to demonstrate the value of public involvement in research

Do you currently provide any training on public involvement in research?

■ Yes

■ We intend to in the next 12 months

■ No

Target audience

🧬 Patients & public

🧬 Researchers

🧬 Health and Social Care practitioners

“Guidance/signposting as part of the Research Design and Conduct service (RDCS) workshop days.”

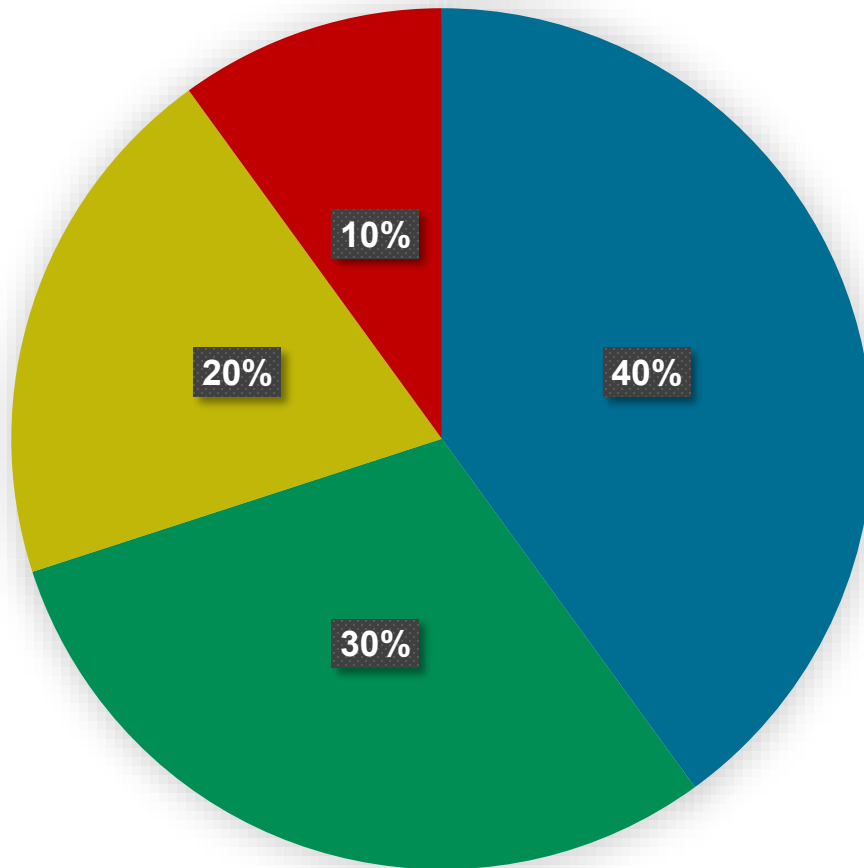

“We provide public contributors with a briefing/training session at the start of their involvement with a study.”

“One-to-one training to new members of our Consumer Panel, and this is bespoke depending on their needs.”

“Bespoke research methods training - to support meaningful contribution and involvement for our PI group and peer researchers.”

“Informal training on qualitative analysis methods for public contributors - we are increasingly encouraging them to be involved in this aspect of our studies.”

Facilitator Type

■ Researchers

■ Public members

■ Support Team

■ Anyone with reasonable facilitation skills & an understanding of dialogue learning

**In your consideration;
What other public involvement training
for health and social care research is
needed?**

Training to support research community

- What Public involvement is , how to do it and why do it in health and social care research***
- Public involvement throughout the **research cycle** in public health research***
- How **R&D departments** can support researchers to do public involvement***
- How to promote and **involve more inclusively** for researchers NHS/Social Care and Academic***
- How to **cost** for public involvement***
- How to **produce a lay summary*****
- Public involvement through **workshops/focus groups** and how to do this***

Training for public contributors

- 8 ***Basic understanding of research for members of the public***
- 8 ***Research skills and methods***
- 8 ***Training for public contributors on co-authoring academic papers - how a paper works, what a co-author can contribute”***
- 8 ***Overview of the regulatory process for conducting research***
- 8 ***What to look for when conducting a review***

More general ideas

- 8 Hearing the voice of lived experience in training.*
- 8 Awareness raising about research happening in Wales.*
- 8 Training could be provided in the places where researchers are.*

Menti code: 9109 1107

‘What is the best way to share the training and guidance information?’

What next?

- 8 Fill in any gaps
- 8 Promote available training and resources
- 8 Consider additional training and resources
- 8 Share case studies and examples of good practice

Resources and support – where to go

- The Public Involvement Team can help enable your public involvement
