## Delivering research

We offer a One Wales approach to research delivery, which enables:

- National early feedback on feasibility across all sites in Wales
- Nationally coordinated site identification
- Rapid feedback from clinical specialty leads and delivery experts
- Enhanced study set-up – coordinated across all sites in Wales
- Single study-specific point of contact for sponsors for all sites in Wales
- One Wales costing and contracting – a single price for Wales and a single review of contracts
- Agile research delivery – to achieve all-Wales target recruitment
- Collaborative working to overcome challenges and share learning
