Betsi Cadwaladr University Health Board

When $1 > 10$

Collaboration is the New Competition

Ben Hecht, HBR, Jan 2013

“....individual efforts can’t stack up against today’s complex and interconnected problems”

ne

Wales COVID19 vaccine trials delivery model

**Trial Delivery
Programme
Oversight**
With links to

- Deployment programme
- UK programme

All-Wales delivery support

- National booking and appointments service
- Remote screening
- Reserve delivery workforce
- Out-of-hours support
- Trial oversight
- Costings and contracting
- Workforce and training

For feasibility - Lead
Principle Investigator
(same for all trials)

4 recruiting locations
One study-one facility

For site - Investigator
(per-trial)

UK Vision for Clinical Research Delivery

Launched by UK government and the devolved administrations **in March 2021**

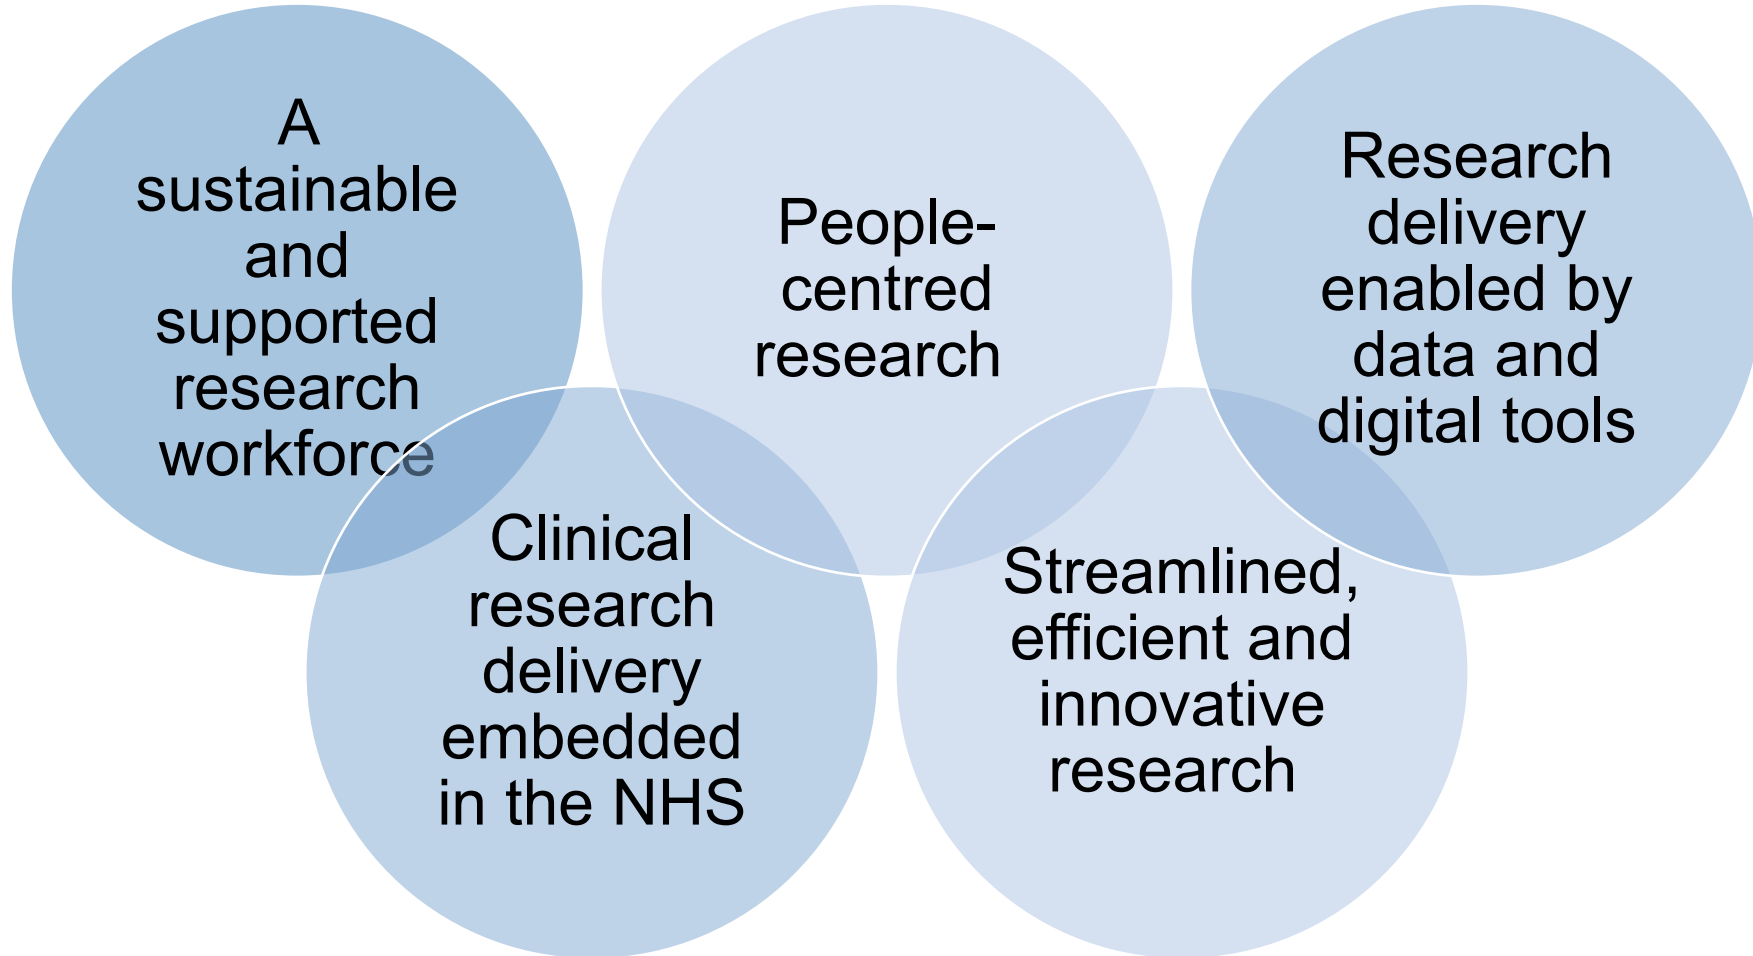

Phase 1 implementation completed

Phase 2 plan published **July 2022**

Linked closely to the **UK Life Sciences Vision** launched on 6 July 2021

UK Vision for Clinical Research Delivery themes 2022-25

We offer...

- ⌘ Rapid set up
- ⌘ Single price for Wales
- ⌘ Single contracts/ costings negotiation
- ⌘ Single point of contact across all sites per study
- ⌘ High capacity dedicated facilities
- ⌘ GMO capability
- ⌘ Wide geographical coverage
- ⌘ Access to target populations
- ⌘ Coordinated public engagement strategies
- ⌘ Standard operational processes across sites

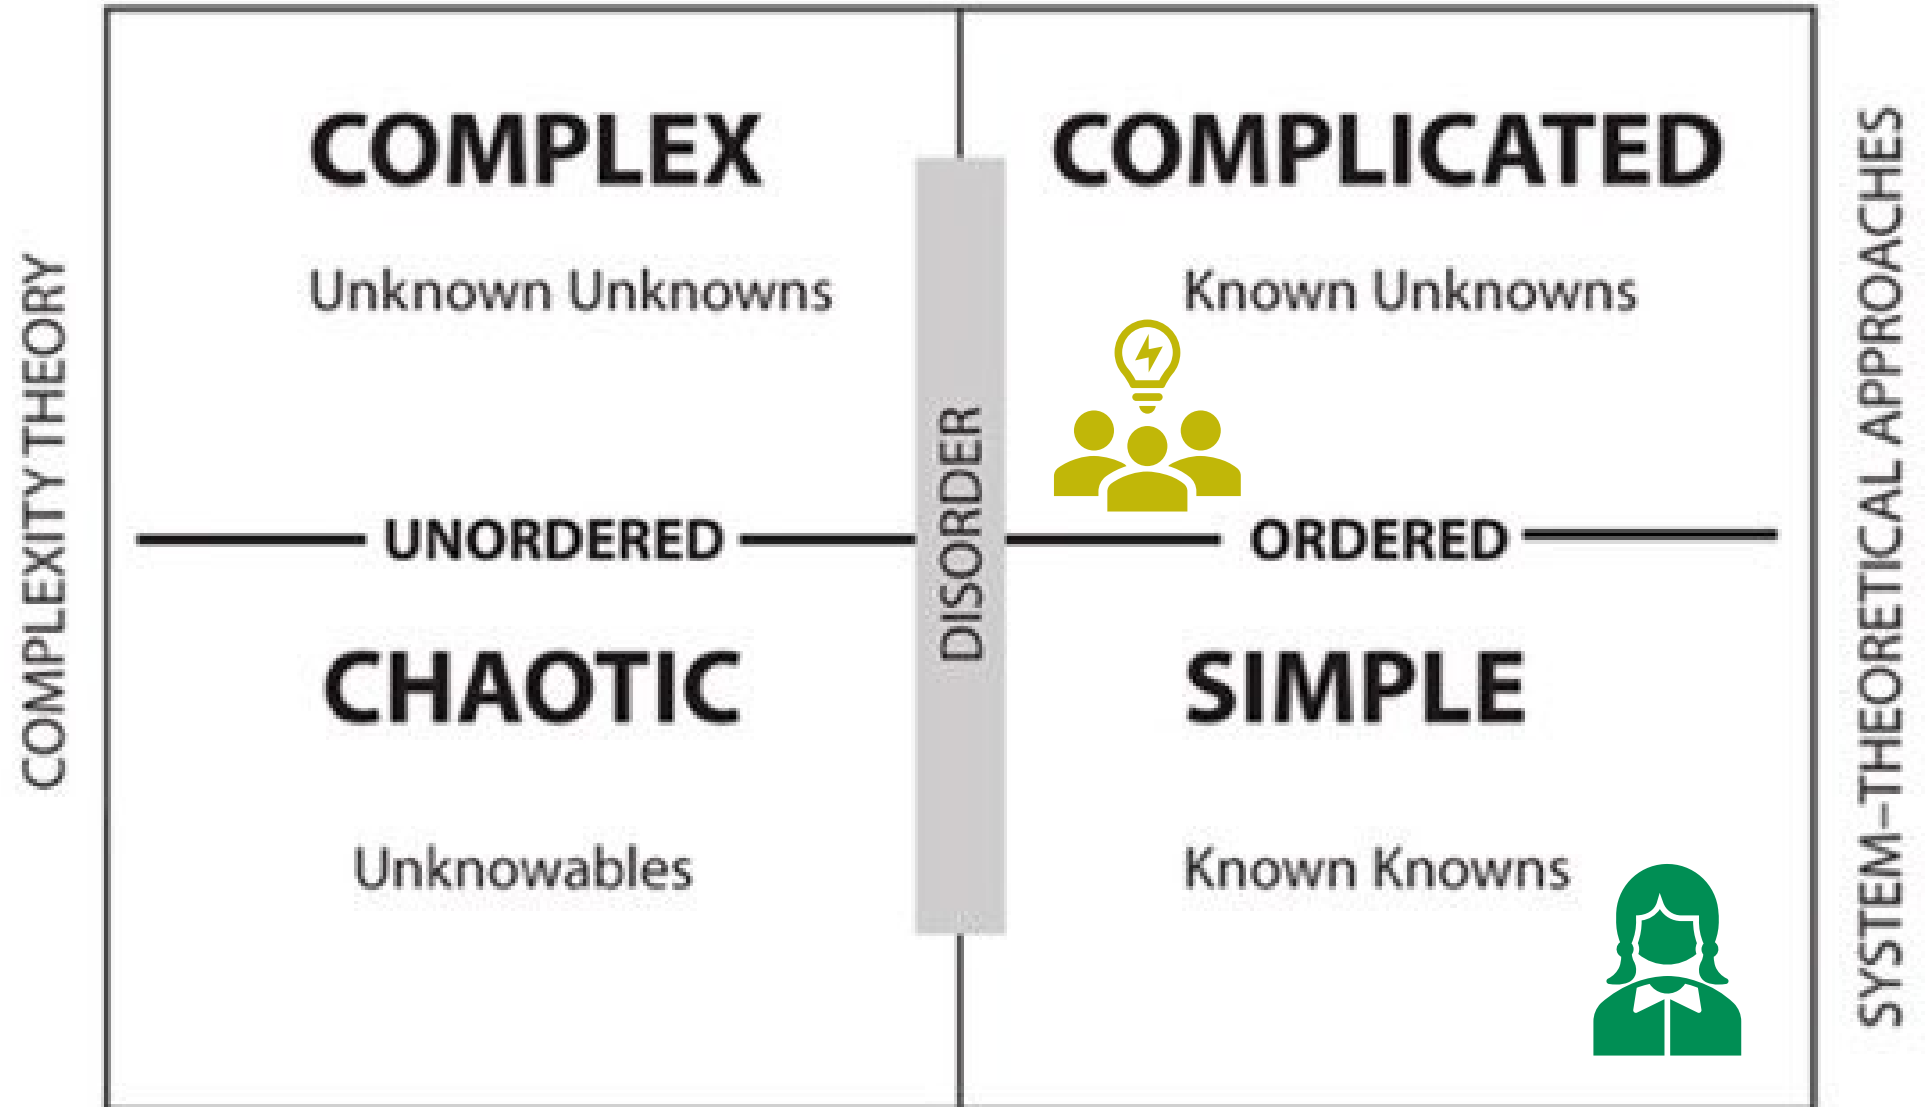

Bringing benefits...

- ⌘ Meeting/exceeding target recruitment
- ⌘ Improved data quality
- ⌘ Collaborative working
- ⌘ Shared learning
