

HCRW Support & Delivery Day 2025

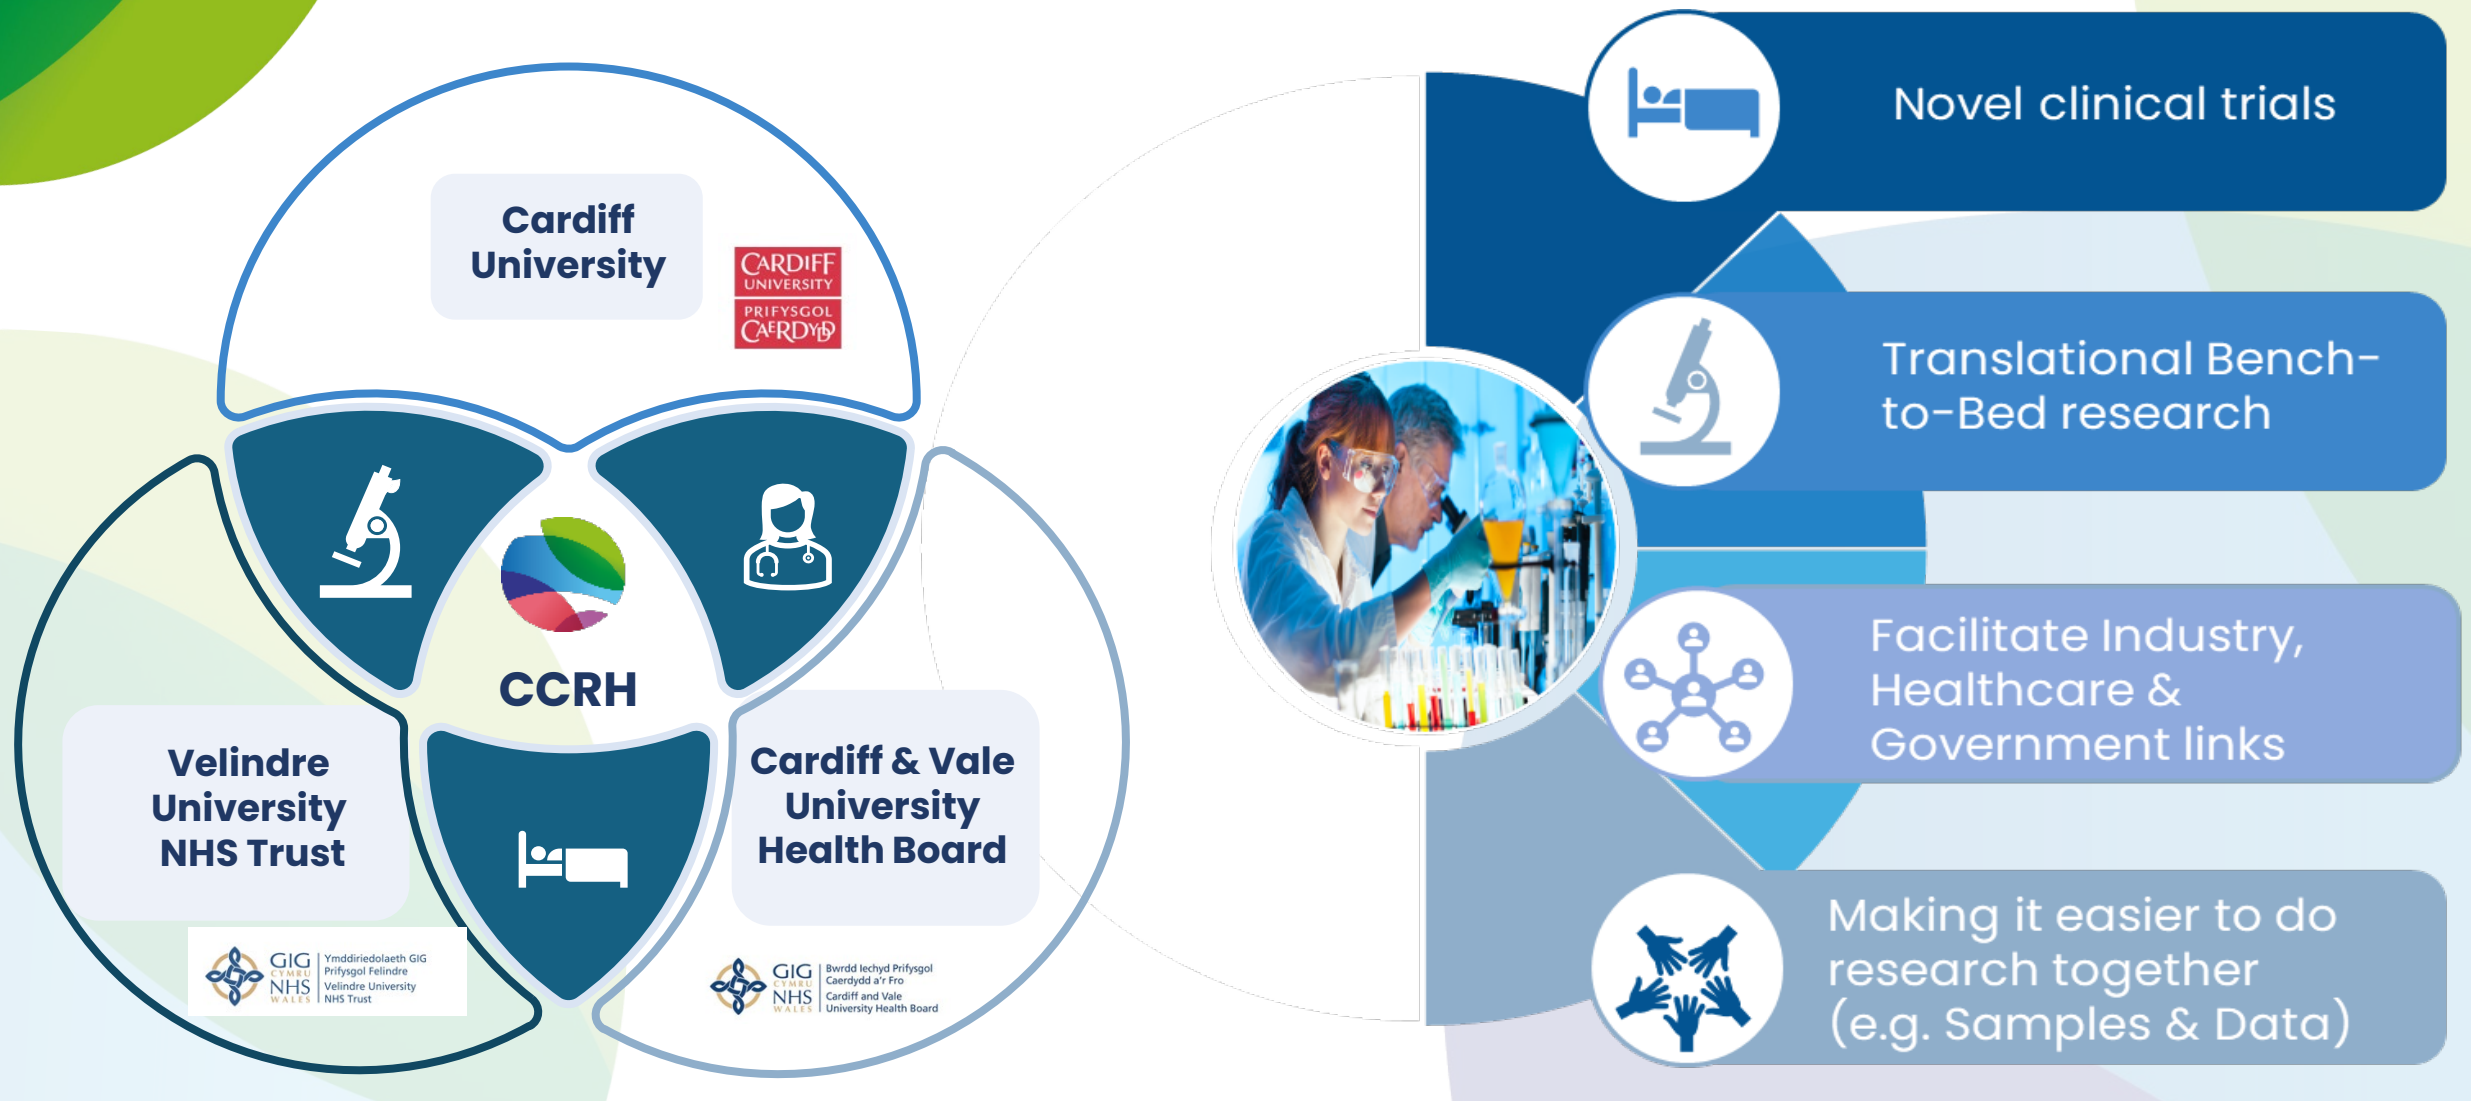

Cardiff Cancer Research Hub

**Driving cancer research
through an NHS / Academic
partnership**

Cardiff Cancer Research Hub

An NHS/Academic partnership focused on improving cancer outcomes through research

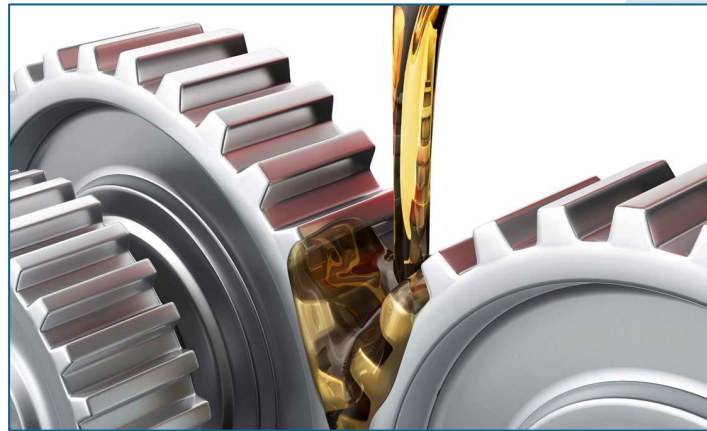

Cardiff Cancer Research Hub

How we are driving change for research excellence

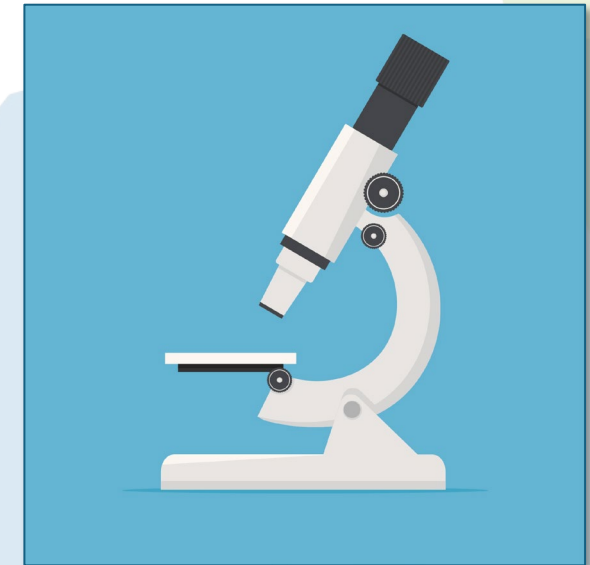

Clinical trials

Making it easier to
work as a partnership

Discovery & Translational Research

Next Steps

Grow beyond Initial phase

- Finalise Partnership setup work
- Formal launch & website launch
- Expand trials portfolio
- More grant applications
- Workforce capacity (e.g. Fellowships)
- Data

Get involved!

- Clinicians and researchers
- Industry
- UHBs & other organisations

Opportunities

learn from other NHS/Academic Partnerships
