Celebrating inclusivity in research in Wales

Thursday 18 September 2025

12:00 – 13:30

Senedd Cymru, Cardiff

Sponsored by Jenny Rathbone MS

Join us as we share our commitment to increasing diversity and inclusion in health and social care research in Wales.

Following the publication of the Health and Care Research Wales inclusivity plan 2025-2028, we are delighted to invite you to a Health and Care Research Wales event to promote inclusivity in research, enhance community engagement and strengthen public involvement.

This will be an opportunity to hear more about Health and Care Research Wales' work to harness inclusiveness in research to address healthcare inequalities and celebrate the partnership between Health and Care Research Wales and Centre for Research Equity as one of our many partners.

Speakers will include

- Jenny Rathbone MS Senedd Cymru, Welsh Parliament, the event sponsor
- Professor Isabel Oliver, Chief Medical Officer for Wales
- Professor Mahendra G Patel OBE, Centre for Research Equity, Nuffield Department of Primary Care Health Sciences, University of Oxford
- Praveena Pemmasani, a public perspective
- Dr Sarah Wallace, Senior Research Fellow, University of South Wales
- Professor Christopher George, Director, National Cardiovascular Research Network
